

“Are we developing the right skills/expertise  
for the future?”

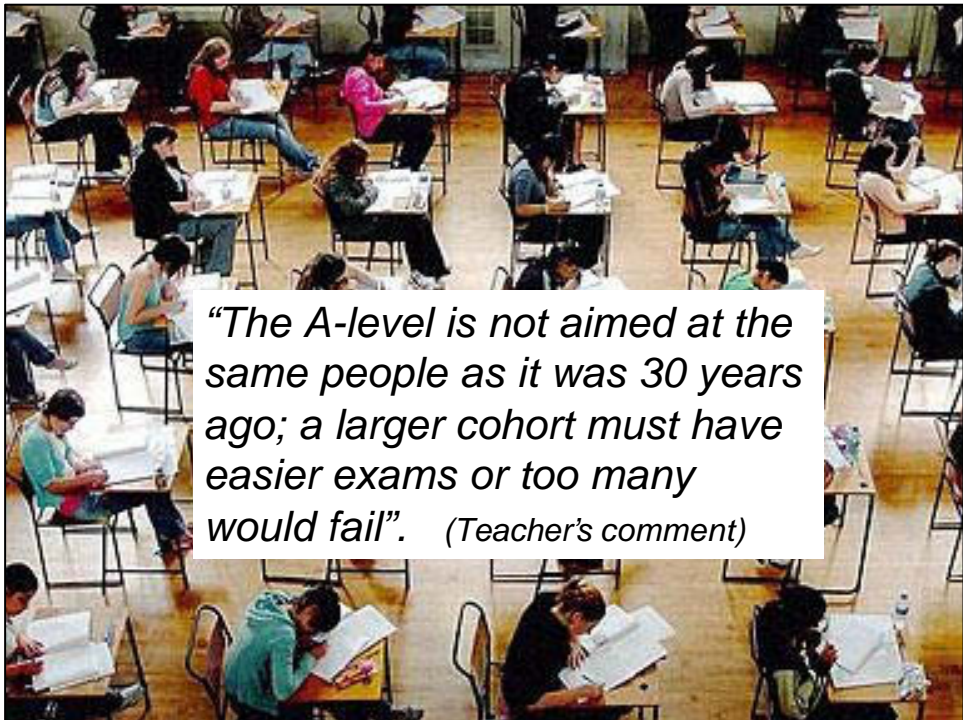

Martin Ratcliffe

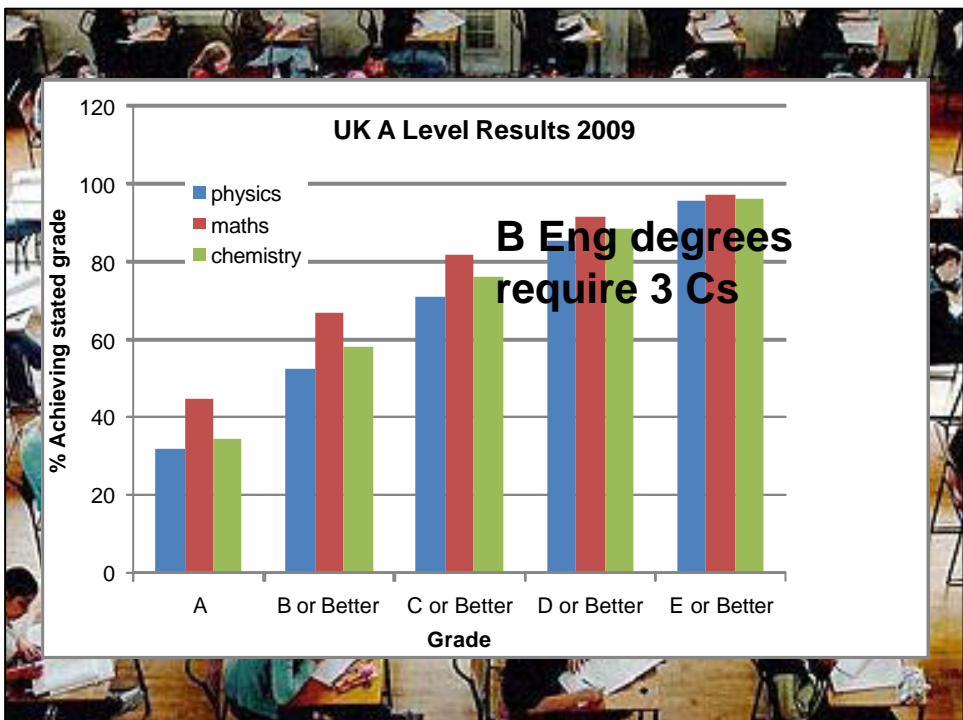

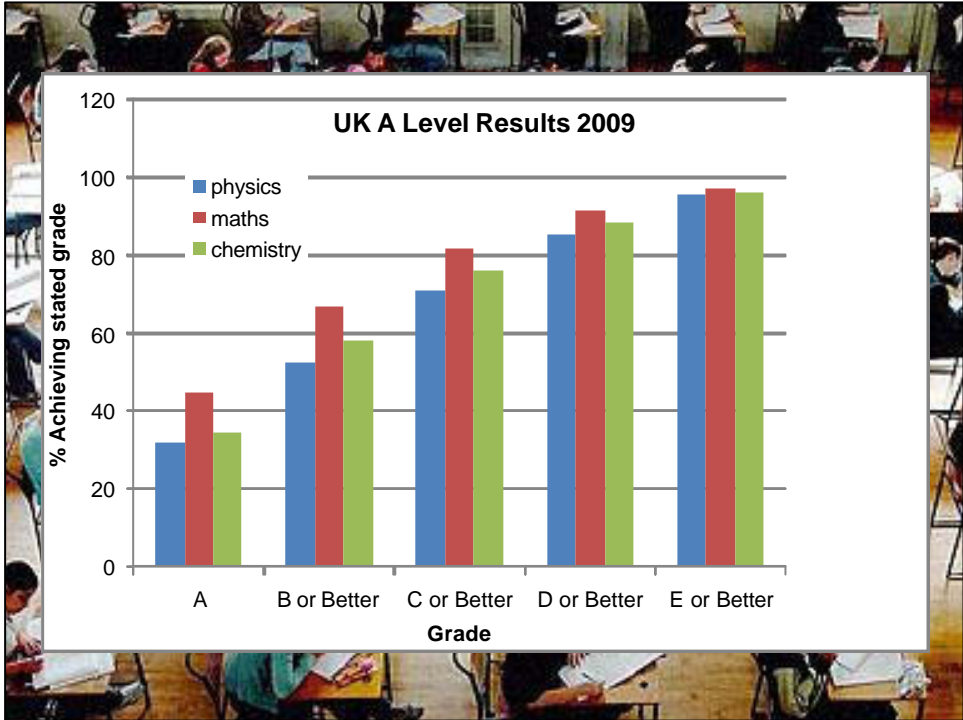

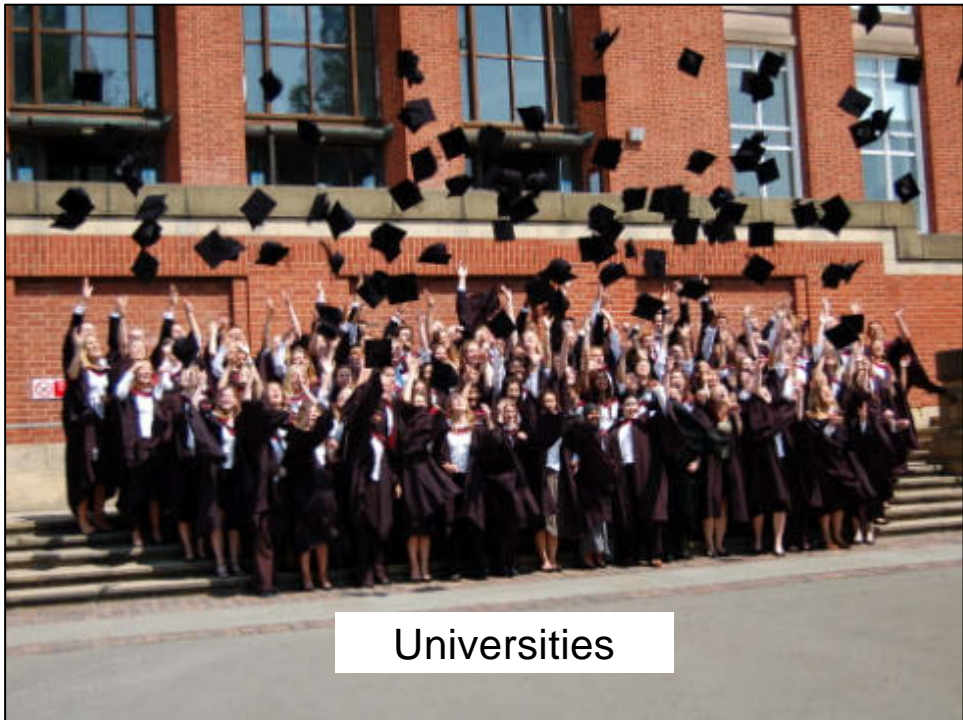

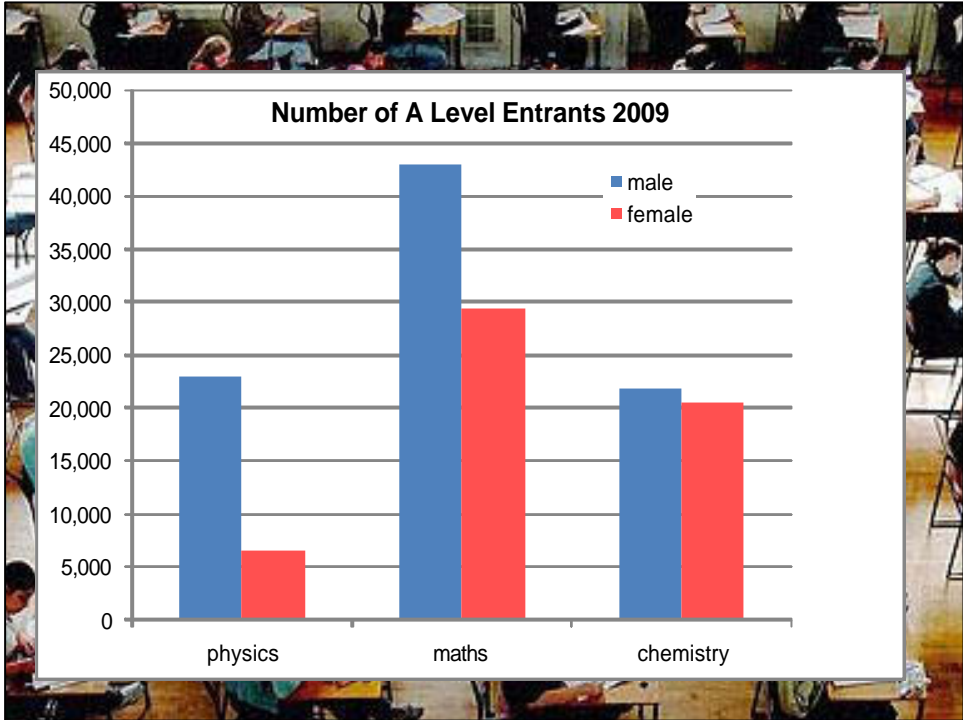

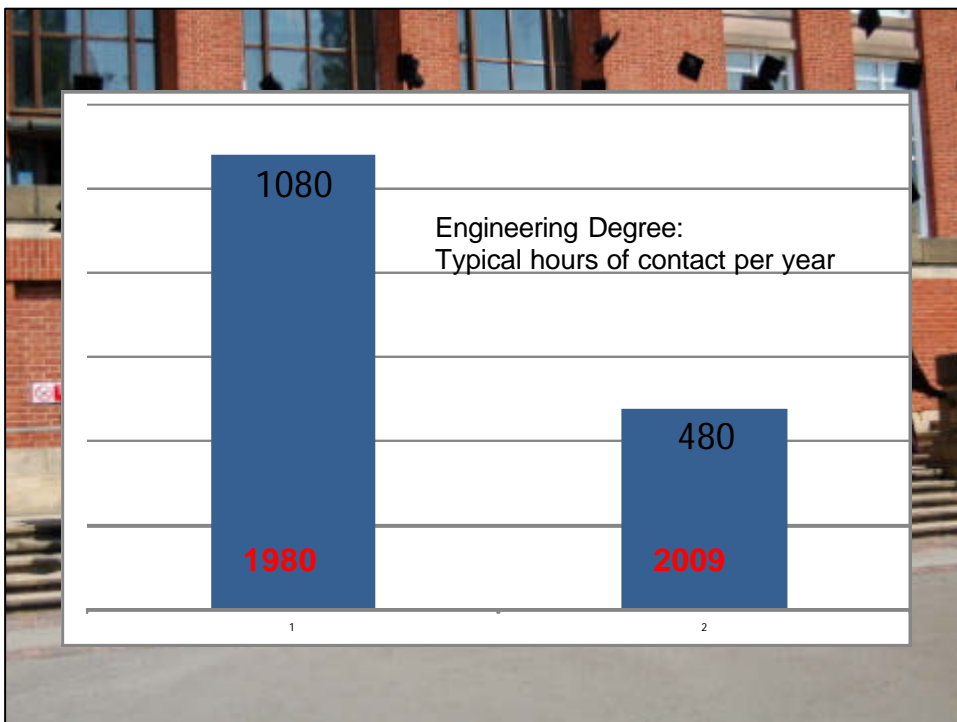

## A Levels

*“The A-level is not aimed at the same people as it was 30 years ago; a larger cohort must have easier exams or too many would fail”. (Teacher’s comment)*

Training

“Are we developing the right skills/expertise for the future?”

“Are we developing the right skills/expertise for the future?”

**NO!**

**Raise Standards**

**Let the Universities concentrate on Education  
Industry provides the training**
